

Legacy

2017

Legacy. It's not just a sedan. It's a Subaru.

See how far **trust** can take you.

Introducing the 2017 Subaru Legacy

Confidence and trust are their own kind of freedom in the new 2017 Legacy. The longest-lasting midsize sedan in its class,¹ this unique sedan is remarkably fuel-efficient, capable and well-protected. Legacy. It's not just a sedan. It's a Subaru.

1 | 2017 Legacy

Efficient

AWD + 34 MPG² The new Legacy gets great fuel economy and is as capable as ever, with standard Subaru Symmetrical AWD. Its Lineartronic[®] CVT also ensures you'll get optimal MPG out of its SUBARU BOXER[®] engine.

Engaging

With Subaru Symmetrical AWD, the ride feels confident, controlled and definitely engaging. Its **Active Torque Vectoring** also delivers sharper handling and its precision-tuned steering and suspension makes for an especially responsive ride. Opt for the Legacy 3.6R for even more power.

Roomy

With its **class-leading** total interior volume³, the 2017 Legacy is comfortable for all aboard. It also includes standard SUBARU STARLINK[™] in-vehicle technology with safe access to podcasts, internet radio, apps and more.

Safe

The available **EyeSight[®] Driver Assist Technology⁴** warns you of trouble and can intervene to help you avoid it, while Rear Cross-Traffic Alert⁵ helps in parking situations. There's also Blind-Spot Detection⁵ to help alert you to approaching vehicles and SUBARU STARLINK[™] Safety and Security Connected Services to help keep you and your Subaru safe 24/7, 365 days a year.⁶

¹ Based on IHS Automotive, Polk U.S. total new light vehicle registrations in the model years 2005–2015 (through December 2015) in the Non-Luxury Traditional Midsize Sedan segment for models that have been on the U.S. market for the entire ten-year time period. ² EPA estimated fuel economy for 2017 Legacy 2.5i at 34 highway MPG. Actual mileage may vary. ³ Based on manufacturer-reported interior volumes according to the EPA's Midsize Car class as of April 2016. ⁴ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash. ⁵ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁶ Activation and required subscription sold separately. Includes one-year Safety Plus trial subscription. See your retailer for details.

Legacy 2.5i Limited in Twilight Blue Metallic with optional equipment.

Unique 18" Alloy Wheels

Carbon Fiber-patterned Details

Sport Interior Accents

Attractive from every angle.

Legacy 2.5i Sport

Distinction is in the details of the all-new 2017 Legacy Sport. Outside, you'll find exclusive features like the unique sport grille and satin silver mirror caps with integrated turn signal lights. Its sophisticated cabin is easy to access, thanks to standard Keyless Access with Push-button Start, and includes a unique dual-tone interior with blue stitching and carbon fiber-patterned touches throughout.

Legacy 2.5i Sport in Lapis Blue Pearl with optional equipment.

At ease.
In control.

5 | 2017 Legacy

Legacy 2.5i Sport with Two-Tone Gray Cloth and optional equipment.

Refined interior

From rich materials to advanced technology, the inviting interior of the 2017 Legacy keeps you comfortable and connected. An available 576-watt equivalent premium audio system with 12 Harman Kardon® speakers will keep you entertained in the quiet cabin. There are also SUBARU STARLINK™ Multimedia Systems with nearly unlimited entertainment options, while available rear climate control vents and rear heated seats keep things cozy in back. Up front, the available driver's seat memory offers a welcome convenience for multiple drivers.

STARLINK™ Safety and Security Connected Services

SUBARU STARLINK™ Multimedia System

Dual-mode Heated Rear Seats

Settling into this space is anything but settling.

Class-leading Total Interior Volume¹

The inviting cabin of the 2017 Legacy offers 104.6 cubic feet² of space, putting it at the top of its class for cabin room and ensuring that driver and passenger alike can ride in comfort.

¹ Based on manufacturer-reported interior volumes according to the EPA's Midsize Car class as of April 2016.
² Without available moonroof.

“The 2017 Legacy received the **highest possible 2016 rating for front crash prevention** from IIHS when equipped with Subaru EyeSight.®”

– Insurance Institute for Highway Safety (IIHS)

An extra set of eyes **every time you drive.**

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight^{®1} warns you, applies the brakes and, at lower speeds, can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn't always flow smoothly, so EyeSight[®] doesn't only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight[®] sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight[®] watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to the newest feature from EyeSight[®]—Lane Keep Assist.

6 | 2017 Legacy

¹ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

Better at what Subaru does best.

Enhanced Safety Features

We found ways to make the 2017 Legacy even better at protecting what's inside. It offers standard features like a Rear-Vision Camera and eight airbags,¹ plus Subaru Symmetrical AWD to give you control and confidence, even in unfavorable weather. There are also new available features like Reverse Automatic Braking² and High Beam Assist³ to automatically initiate and dim the high beams as needed.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.⁴

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, **Lane Change Assist**, alerts you with a flashing indicator in each side mirror if it senses a vehicle approaching in a neighboring lane while you signal for a lane change.⁴

Reverse Automatic Braking

New for 2017, Reverse Automatic Braking² can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Legacy to a stop should an object be detected within its range and the driver fail to act. There's also a Rear-Vision Camera to help you keep an eye out.

STARLINK™ Safety and Security

Instant access to help when you need it most 24/7, 365 days a year. That's the reassurance of the all-new STARLINK™ Safety and Security Connected Services that can promptly send first responders when an airbag deploys, help police locate your vehicle if it's stolen, and more.⁵

1 Always wear seatbelts. Children should be properly restrained in the rear seat. 2 This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 3 Requires EyeSight. 4 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 5 Activation and required subscription sold separately. Includes one-year Safety Plus trial subscription. See your retailer for details.

The Subaru Legacy was named **Best Resale Value** in its class for 2016 by Kelley Blue Book's KBB.com.¹

“The Subaru Legacy is an **IHS Top Safety Pick** for eleven years running (2006–2016).”

Insurance Institute for Highway Safety (IIHS)

“The **longest-lasting midsize sedan** in its class.”²

“The **best-selling all-wheel drive midsize sedan** for the past 10 years.”³

“Although the Legacy comes **standard with all-wheel drive (AWD)**, its fuel economy figures are near the top of its class.”⁴

CA Emissions		LEV III/SULEV 30 ¹	LEV III/ULEV 125
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined ²	25/34/29 mpg	20/28/23 mpg
Fuel Requirement	Unleaded gasoline (87 octane)	●	●
Fuel Capacity	18.5 gallons	●	●

● Standard ○ Optional — Not equipped □ Available retailer-installed accessory

Rear Cargo Net. Neatly holds cargo upright and helps prevent it from sliding while the vehicle is in motion.

Trunk Tray. Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

Trunk Cargo Hooks. Conveniently helps to hold shopping bags upright. The hook folds out of the way when not in use. Each kit includes one hook.

Body Side Moldings. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Moonroof Air Deflector. Helps to reduce wind noise and sun glare.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-color-matched Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

Fog Lights. Cast a low and wide beam of light to enhance vision in inclement weather.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect the bumper upper surface and leading edge when loading or unloading cargo.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime.

This accessory reduces vehicle ground clearance.

Auto-dimming Mirror with HomeLink®. This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry. The start/stop button blinks to confirm the engine has started.

All-weather Floor Mats. Custom-fitted, heavy-gauge protective mats. Helps protect vehicle's carpet from sand, dirt and moisture.

Not intended for use on top of carpeted floor mats.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

Durability

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why the Subaru Legacy is the longest-lasting midsize sedan in its class.¹⁵ We also share your desire for a cleaner, greener world. All 2017 Legacy 2.5i models achieve Partial Zero Emission Vehicle—PZEV¹—status because of its exceptionally low emissions. What's more, in 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is headquartered in a zero-landfill office in Cherry Hill, N.J.

Warranties

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty: <ul style="list-style-type: none"> • Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries
Rust Perforation Limited Warranty	5 years, unlimited mileage.
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.

1 2017 Legacy 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 miles emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2017 EPA fuel economy estimates. Actual mileage may vary. 3 Available only with other features. See Optional Equipment listing. 4 The glass information listed represents calculated reference values, and may not represent actual values determined by testing. 5 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 6 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. 7 Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. 8 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning with Lane Keep Assist operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash. 9 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 11 Activation and required subscription sold separately. Includes one-year trial subscription. See your retailer for details. 12 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. 13 Activation with subscription is required. See your retailer for details. 14 HID headlights standard on 3.6R Limited. 15 Based on IHS Automotive, Polk U.S. total new light vehicle registrations in the model years 2005–2015 (through December 2015) in the Non-Luxury Traditional Midsize Sedan segment for models that have been on the U.S. market for the entire ten-year time period.

Not Dimmed

Dimmed

Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light.¹

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help illuminate the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the glare out of your eyes. The brighter the light, the dimmer the mirrors and the better you'll be able to see.

¹ Exterior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror accessory.

Trunk Tray. Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

Trunk Cargo Hooks. Conveniently helps to hold shopping bags upright. The hook folds out of the way when not in use. Each kit includes one hook.

Moonroof Air Deflector. Helps to reduce wind noise and sun glare.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-color-matched Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect the bumper upper surface and leading edge when loading or unloading cargo.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime. This accessory reduces vehicle ground clearance.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry. The start/stop button blinks to confirm the engine has started.

All-weather Floor Mats. Custom-fitted, heavy-gauge protective mats. Helps protect vehicle's carpet from sand, dirt and moisture. Not intended for use on top of carpeted floor mats.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security[®]...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

Durability

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why the Subaru Legacy is the longest-lasting midsize sedan in its class.¹² We also share your desire for a cleaner, greener world. All 2017 Legacy 2.5i models achieve Partial Zero Emission Vehicle—PZEV¹³—status because of its exceptionally low emissions. What's more, in 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is headquartered in a zero-landfill office in Cherry Hill, N.J.

Warranties

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.
